Notification of Decision

Dear Parties,

Please find attached the full text of the decision issued on May 8, 2015 by the Administrative Panel in the above-referenced case.

The Administrative Panel's finding is as follows:

For the foregoing reasons, in accordance with paragraphs 4(i) of the Policy and 15 of the Rules, the Panel orders that the disputed Domain Name, <trumpestates.com>, be transferred to the Complainant.

Pursuant to Paragraph 4(k) of the Uniform Domain Name Dispute Resolution Policy, the concerned Registrar Misk.com, Inc. shall proceed to implement the above decision on the tenth business day (as observed in the location of that Registrar's principal office) after receiving this notification. The concerned Registrar will not implement the decision if, before the 10-day waiting period has expired, the Respondent submits official documentation (such as a copy of a complaint, file stamped by the clerk of the court) to the Registrar demonstrating that it has commenced a legal proceeding against the Complainant in a jurisdiction to which the Complainant has submitted under Paragraph 3(b)(xiii) of the Rules for Uniform Domain Name Dispute Resolution Policy (the Rules).

Pursuant to Rules, Paragraph 16(a), the Registrar is directed to inform the Complainant, the Respondent, the Internet Corporation for Assigned Names and Numbers (ICANN) and the WIPO Arbitration and Mediation Center as soon as possible of the specific date on which the Administrative Panel's decision will be implemented, absent a notification by the Respondent in accordance with the above.

A signed version of the Decision shall be forwarded to the parties in due course.

Sincerely,

Chievo Jokonya
